Dear Community Food Purveyor or Merchant:

Nourishment is something everybody can achieve! It's easy, and here is how we do it. Our teams have been assembled to collect unwanted or unneeded food and provisions from our community and deliver them directly to the hungry and indigent on Skid Row. We're asking for the bare minimum.

We're asking certain restaurants and food stores to donate only once each month 40 meals that we will take down to Skid Row and feed the hungry and the homeless. By asking each merchant on a rotating basis of only once each month, more than 250 meals each week can go down to feeding the 12,000 homeless people living on the streets of Los Angeles.

But from you we're asking only for a one time donation of between 20 and 40 servings for our community. Can you spare 20-40 meals this Easter?

Once each month we're asking our donors, (You) to donate 40 meals, but only once each month. Then our teams of over 175 volunteers will collect the donations and deliver them right to hungry people living on the streets.

The breakthrough of this concept is we're asking for food you wouldn't sell anyway. Maybe it's over-produced? Perhaps it's surplus? Maybe it expired, dented, damaged, or blemished, and you simply can no longer sell it? We're asking for your support. More than twelve thousand hungry children and adults in Los Angeles alone live on garbage and waste. But this Easter, you can help. But will you?

Here's what we're offering:

If you will give us food for 40 people for our massive re-launch event in the morning of Sunday, April 23, 2006, we, "THE NEEDY SMORGASBORD"™ will provide you with a certificate to place in your establishment to indicate that you not only care about, but help your community.

What are 40 meals, especially at Easter and Passover? We're one community and we need your help.

It's a simple plan... You donate the food and we deliver it directly to hungry people living on the streets. Some of them haven't eaten in days or weeks. Will you help? All you have to do is call us, or say yes and we will pick it

up. If 40 meals are too much to ask, we'll distribute anything you will offer. We're not greedy. We're just surviving people helping people survive. The time is now!

Please help. And please call. May good things happen for you!
